Total Seats				280	

### NOTES:

ALL applicants that wish to attend must register for LCC with Winter 2024 as the starting term in order to register for a review session

Once you are approved to register for the Winter 2024 term, sign up for the **ONE** CRN you wish to attend. There is no cost and this will not show up on your official transcript. It is for registration tracking only. Please **ONLY** sign up for one Application Review Session so ALL students have a seat.

### **You must be on a roster and stay the entire time to receive the point**

The Zoom password will be sent to registered applicants 2 hours prior to the start time. If you sign up with less than 2 hours before the start time Email [HPAdvising@lanecc.edu](mailto:HPAdvising@lanecc.edu) with your name and L# and ask for the password. Capacity is limited to 35 in each advising session. Whether on Zoom or in person.

We did our best to pick different days and different times to allow ALL applicants an option to attend a session. At this time we will not be adding any additional sessions as there are 280 seats at this time.

Registration is First Come, First Served. Register as soon as possible to insure you can attend a session that works with your schedule.
