DRAFT 6.6.17

Core Theme Teams represent key faculty, managers, and classified staff who have direct impact, interest, empowerment, and accountability in assessing and improving the college's Core Theme Indicators and Strategic Direction measures.

Teams will develop and implement communication and outreach plans to engage all college stakeholders in conversations and dialog to further understanding of Core Themes and Strategic Directions [including indicators and measures], and to foster a culture of shared ownership, empowerment and accountability.

Teams will meet quarterly to 1) review Core Theme and Strategic Direction indicators and measures, 2) discuss and analyze data and summative reports from college initiatives and programs, 3) review and discuss established threshold and benchmark data and make recommendations, if needed, for improvement or adjustment, and 4) provide feedback to the Institutional Effectiveness Committee and initiative/program leads on the effectiveness and progress of college efforts toward mission fulfillment.

Teams will also provide annual reports to the Institutional Effectiveness Committee that summarize data, improvement efforts, and recommendations for continued improvement.
