

Associate of Science Degree

For some transfer majors, the AS degree best matches some pre-major requirements of four-year colleges or universities. Requirements include a rigorous general education program balanced with electives. Students must work closely with an advisor or counselor (at Lane and the intended transfer institution) to determine which courses best suit plans for transfer. Award of this degree does not guarantee all lower division general education requirements have been met at an OUS institution, nor does it ensure junior status at a state four-year institution.

I. Foundational Skills:

Students must complete all General Education requirements in this section with a minimum grade of C- or "P" (Pass).

Note: Foundational Skills are open to demonstration of proficiency. For information on waiver testing or credit for prior learning, contact a counselor or advisor.

English Composition

Eight credits – complete two courses (minimum):

WR 115 (summer 1999 or after), WR 121, 122, 123, 227

Mathematics

Four credits – MTH 105 or higher

Physical Education

Three credits – activity courses completed over at least two terms; PE 181-197 and Dance (limited to 1 credit from Dance prefix). One course must be at an advanced level or in a different activity.

Health

Three credits – HE 152, 209, 250, 255, or 275; or HE 125, 252 (summer 1997 or later)

II. Discipline Studies:

In addition to courses used for foundational skills in section 1, students must select additional courses in the areas identified below.

Some courses may be repeatable (see the course description). Repeatable courses may be used once for this requirement and up to two additional times as electives.

Choose courses numbered 100 or higher; excluding developmental courses listed below. No courses numbered 198, 199, 298 or 299 may be used for distribution areas.

Developmental Courses may not be used. Course numbers 001-099 identify these courses (e.g., RD 090 or WR 080). Additionally, the following courses are considered developmental: ENG 110, 116, 117; RD 115; WR 110, 115 (taken before summer 1999) or 120.

Arts/Letters

Ten credits – Choose from the following: Art, Dance, Effective Learning, Film Arts, Foreign Language, Humanities, Journalism, Literature, Music, Speech, Theater Arts, Writing

Social Science

Nine credits – Choose from the following: Anthropology, Economics, Ethnic Studies, Geography, History, Human Relations (CG and HS prefixed courses), Philosophy, Political Science, Psychology, Religion, Sociology, Women's Studies.

Science/Math/Computer Science

Thirty-six credits – Choose from the following: Biology (see page 43 for restriction), Astronomy, Botany, Chemistry, Computer Science (CS prefix courses only, not CIS), Engineering, Geology (G or ENVS), Mathematics (MTH105 and higher), The Natural Environment (GEOG101), Physical Anthropology (ANTH101), Physical Science (GS prefix), Physics, Zoology; Advanced Technology courses: EET 129, 130, 131, 145, 146, 151, 152; DRF 207, 205; FT 113.

III. Electives

Twenty credits – numbered 100 or above with the following limitations:

Developmental courses may not be used.

Career Technical courses – a maximum of 12 additional credits may be used. Courses are identified by prefixes listed on page 41.

Physical Education activity courses – a maximum of 9 credits from courses PE 181-197

Cooperative Education – a maximum of 18 credits. See list, page 175-176.

Individual Music Lessons (MUP) – a maximum of 12 credits

Additional Information: See "Degrees and Certificates," page 38.
