Recommendation/action: SAC recognizes that lack of resources for degree evaluation is a major and critical barrier for students. The lack of resources is a considerable burden on staff as well as students and may present a liability for the college. SAC recommends that the college meets this need immediately. • Other barriers: some students have identified charges being added at the last minute for early registration as a barrier. Is it possible not to have charges added for a certain period before the sweep of students in advance registration? Action – take to Student Affairs Managers’ meeting & bring info back to the council. We will discuss remaining barriers at the next meeting. The council will keep this topic on the SAC agenda. <p>Discussion:</p> <ul style="list-style-type: none"> • Unit plan accomplishments: Action – members will look at the document that Sonja sent out –we will discuss any action next time. <p>Agenda next time:</p> <ul style="list-style-type: none"> • Policy barriers • Accreditation –draft report • Unit planning accomplishments
