

## OEA Choice Trust - Section 125 Covered Expenses

Each item in the following list has been identified as a "qualifying expense" for the Health FSA (Section 125) plan. If you have an item that is not on the list and would like to find out if it is covered under your plan, please contact us at 1-800-452-0914.

A "qualifying expense" is defined as items or services that are generally known to be incurred or obtained primarily for medical care; in other words, they are items or services that practically no one would incur or obtain unless they had a medical condition that prompted the expenditure.
