

# Lane Spring Conference 2006...

## Building a Sustainable Community through Collaboration and Partnerships

May 5, 2006 - 8:30am – 4:45pm  
Center for Meeting and Learning  
(Rooms 102,103,104)

*We must learn what sustainability means in practice if we are to apply it to our daily lives..."*  
Sir David Attenborough

**Join friends and co-workers as the Lane community comes together on May 5, for a day to explore sustainability...what we do well and where we can shine! ☺**

===

===

*Now is the accepted time, not tomorrow, not some more convenient season.  
It is today that our best work can be done and not some future day or future year.  
It is today that we fit ourselves for the greater usefulness of tomorrow.*

*Today is the seed time, now are our hours of work, and tomorrow comes the harvest and the playtime.*

W.E.B. DuBois
