Network Meeting

Our next Network meeting will be held **Thursday, May 7th at the Provider Appreciation Day Event, from 6:30-9:00 P.M.** You may choose between two one hour classes, "Organizing for the Child Care Provider", and "Signing with Flannel Boards". If you haven't already e-mailed or called me with your choice please do so. You will receive a flier for the event in the mail. There will be food, prizes, booths and lots of fun!

Please note: The "Signing with Flannel Boards" class will be translated into Spanish.

Our summer network meeting will be a potluck get together. If you are willing to host please let me know.

Network meeting reminder: Network meetings are mandatory. You can miss one meeting per year. If you have special circumstances you may be able to make up a meeting if you have to miss more than one, just call me to make arrangements. Also, if you can't make it to a meeting please call me ahead of time. You can always reach me on my work mobile at 359-9911.

Marketing

I will be having a table at the new hospital in May. Please send me fliers, brochures or cards to distribute as soon as possible.

Quality Indicators

The Child Care Division is rolling out a new project called the "Quality Indicators Project". It has already rolled out to Child Care Centers and will roll out to Certified Family in 2010 and Family Child Care in 2011. It will become a requirement for all network participants to release your quality indicators report to the public. I have attached an information sheet about the project on the back of this newsletter. If you have questions about the project please call your CCD certifier.
