

MATHEMATICS PLACEMENT GUIDE

Students should select a math course that meets the requirements of the program they are pursuing. Students are encouraged to meet with an advisor or view their myGradPlan in myLane.

MATH COURSES WITH NO PREREQUISITE

The following are some math courses that do not require a prerequisite. Students can register for these courses without completing the placement process.

Course	Title
MTH 052	Math for Health and Physical Sciences
MTH 075	Applied Algebra for Technicians
MTH 085	Applied Geometry for Technicians
