### LPN PROGRAM ADVISING

We have placed as many recommendations as possible in this Application Information Packet to help you fill out a successful application to the LPN Program. However, it is your responsibility to be aware of program entrance and certificate completion requirements and to fill out your application documents correctly.

It is **HIGHLY recommended** that all applicants meet with a Health Professions advisor via [email or during drop in hours](#) prior to applying for the program. For the best assistance, be prepared by having a copy of Forms 1 & 2 filled in (to the best of your ability) along with unofficial copies of all your transcripts. If you are unable to meet with an advisor in person, please email [HPadvising@lanecc.edu](mailto:HPadvising@lanecc.edu) with any questions.

The following information is intended for **program entrance only** and does **not** include information on courses required for certificate completion. These can be found in the catalog listing for [Practical Nursing](#).

### APPLICATION PROCESS & DATES

**You are NOT considered an applicant to the program until you meet all application requirements.**  
**Please read carefully and follow all directions.**

**Selection Criteria.** Program admission is based on a ***point allocation system***. There are no advantages given based on the date/time you submit your application. In addition to admitted students, there will be designated alternate students. An alternate is allowed to enter the program ***if*** an accepted student declines or withdraws. Alternates not accepted into the **Fall 2025** program will be **guaranteed** admission the following year **without reapplying** to the program. (Please Note: Alternates must ensure that your A&P courses do not expire prior to the year you enter the program and that all Fall entry requirements are met. Accepted & Alternates this year may not defer if you are offered a spot in this year's program. You would have to re-apply.
