ABOUT LANE

Lane Community College is known for its innovative programs, high-quality instruction, and commitment to sustainability. Other great reasons to attend Lane:

- It's affordable, just \$126.00 per credit. That means you'll save at least \$16,000 by completing your first two years at Lane before you transfer.*
- Small class sizes allow you to make connections with instructors who are personally invested in your success.
- You will gain the skills and knowledge you need for whatever comes next, whether you are transferring to a university or planning to enter the workforce.

*Compared to University of Oregon tuition and fees.

**NICK KEOUGH**

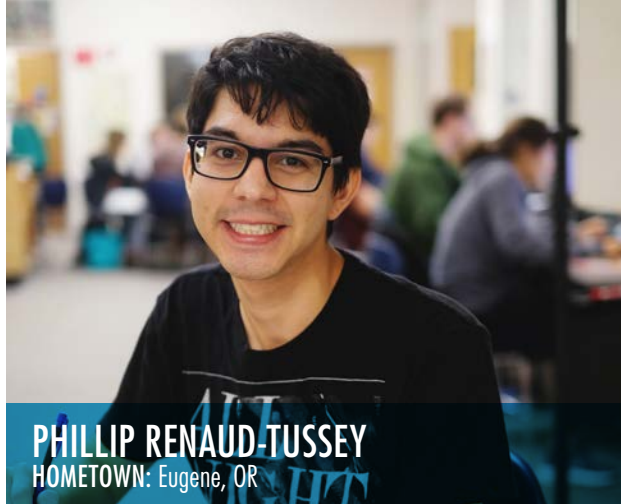

HOMETOWN: Roanoke, Texas

DEGREE: Associate of Arts Oregon Transfer Degree in Political Science

WHY LANE: “I chose Lane because it was affordable and flexible! When I started at Lane, I had no idea what I wanted to do or who I wanted to be. Lane gave me the option to explore a variety of paths and interests without breaking the bank. This allowed me to blossom and find what I’m actually passionate about doing and learning.”

CAREER GOALS: I hope to go into a career that makes a systematic difference in the world. It sounds cliché, but helping people is core to who I am. I hope to work in public policy, higher education, or in the nonprofit sector.

Nick graduated in 2019 and transferred to the University of Oregon.

**PHILLIP RENAUD-TUSSEY**

HOMETOWN: Eugene, OR

DEGREE: Associate of Science Oregon Transfer Degree in Computer Engineering/Science

WHY LANE: “I chose Lane to expand my possibilities for my career as a Robotic Engineer in the space mining industry.”

CAREER GOALS: “My career goals are to become a Robotic Engineer. It’s inspired me to excel in mathematics and applied physical science. There are many algorithms that will make the tools for mining work in outer space. This will require full knowledge of mathematical and scientific concepts for the ability to problem solve solutions that I face in space.”

Phillip graduated in 2020 and will be transferring to Oregon State University.

SEAN MILLER
HOMETOWN: Eugene, OR

DEGREE: Associate of Applied Science Degree in Diesel Technology

WHY LANE: Sean decided he wanted to return to school and develop a skill set that is in high demand, so he enrolled in LCC's Diesel Technology Program.

CAREER GOALS: Sean is a father of three children and an Army Veteran. In the early 2000s, Sean was inspired to serve his country and joined the Army after getting his GED.

Sean graduated in 2018 and is currently working with Rexius Forest Products.

About his experience at Lane, Sean says, "All the instructors I've had have gone above and beyond. You tell them what you need to do, and they put you on the path."

ADAORA NKWONTA
HOMETOWN: Beaverton, OR

DEGREE: Associate of Applied Science Degree in Nursing

WHY LANE: "I chose Lane for multiple reasons. First, I am familiar with the campus as I took dual enrollment classes. Second, the RN program at Lane was affordable and offered a variety of scholarship opportunities. Lastly and most importantly, Lane has a strong reputation of producing competent and highly skilled nurses."

CAREER GOALS: "My ultimate career goal is to become a neonatal nurse at one of the local children's hospital in Portland."

Adaora graduated in 2018 from Lane and transferred to OHSU, earning a Bachelor's Degree in Nursing.

APARTMENTS

STUDENT APARTMENTS

Titan Court, Lane's fully furnished student apartment complex, is located in the heart of Eugene next to the Downtown Campus. The city's main transit station is right across the street, and Main Campus is just a short bus ride away. If you decide to transfer to UO or NCU after your time at Lane, you won't have to move, as Titan Court is open to all college students! Gather a group of friends or let the Titan Court team find a compatible roommate for you. Living here will be safe, fun, and simple.

One check takes care of everything: furniture, utilities, Wi-Fi, and rent. Learn more at titancourt.com.

EARN A TRANSFER DEGREE!

At Lane you can take the same coursework in your first two years that you would at a university, but at half the cost. Transfer your credits to any public university in Oregon and start as a junior. Lane offers the following transfer degree options:

- Associate of Arts Oregon Transfer (AAOT)
- Associate of Science Oregon Transfer: Business (ASOT: BUS)
- Associate of Science Oregon Transfer: Computer Science (ASOT: CS)
- Associate of General Studies (AGS)
- Associate of Science (AS)

Academic advisors will help you develop a transfer plan.

BENEFITS OF THE TRANSFER PROGRAM:

- Cost savings of at least 50% per year compared to attending the UO
- Smaller class sizes
- Free academic tutoring and resource centers
- Strong faculty connections

COOPERATIVE EDUCATION

Cooperative Education (Co-op) is a partnership between Lane Community College, the business community, and Lane students. Students earn credit and a grade while working full-time or part-time in positions related to their careers and academic goals.

Hundreds of employers participate in Lane's Cooperative Education program each year. This has helped Lane become a national leader in Cooperative Education and places it among the largest Cooperative Education programs in the nation.

LANE PERFORMING ARTS

Lane Performing Arts offers the ideal setting to train and perform in Music, Dance and Theatre. Foundational and advanced classes are taught by distinguished faculty that give first priority to student growth and success. Students perform in our many music ensembles, dance concerts, plays or musicals, or create and record music in our Music Tech lab. Students also learn costuming and technical production and design. With state-of-the-art facilities & numerous ways to offer financial support, the Lane Performing Arts Department is the place to discover and hone your talent and prepare for the next step.

GET YOUR GAME ON!

Lane offers 10 collegiate athletic teams that compete in the Northwest Athletic Conference (NWAC). The Lane Titan teams have won a total of 33 NWAC Championships, 99 Regional Championships, and three NJCAA Championships. Our coaches actively recruit student athletes to compete for Titan teams. Tuition waivers may be awarded to deserving individuals. Walk-ons are welcome and should contact the head coach of the sport they are interested in for further information. The coaching staff assists student athletes in transferring to four-year colleges and universities. Some students continue competing after they graduate from Lane. **For information about Lane Athletics and eligibility requirements, visit lanetitans.com**
