Purpose of the Process

Local Budget Law is designed to:

- **Establish standard procedures** for preparing, presenting, and administering the budgets of Oregon's local governments.
- **Encourage citizen involvement** in the preparation of the budget before its final adoption.
- **Provide a method of estimating** revenues, expenditures, and proposed taxes.
- **Institute a method for control** of revenues and expenditures that promotes efficiency and economy when using public funds.
- **Encourage citizen involvement (!)**. Public policy decisions are to be made openly in public meetings because the people have the right to be there and know what their local government intends to do.
