

## Approved Healthcare Credentials for the 2025 LCC Nursing Program

The following list shows current healthcare credentials that have been approved by the Nursing Department for the Fall 2025 RN Application season. The list below will be used for License/Certifications accepted as well as Volunteer/Work Experience in a healthcare setting. \*Only by uploading the required supporting documentation for the license/certification and/or the 2025 RN Healthcare Volunteer-Work Experience Form to the NursingCAS site prior to the application deadline, will you receive points.

**\*Note:** This list gets updated once a year. To get current information, we encourage you to meet with a Health Professions academic advisor.

Please visit [Lane CC RN Application Information](#) frequently to ensure you have the most up-to-date material and to find the required forms and supporting documentation for this years application.

We **strongly** encourage you to meet with a Health Professions Advisor to get assistance in choosing the right credential for you. This list contains numerous opportunities to get involved in healthcare and taking time to do research is important. You will find the Health Professions advising schedules on the [Academic Advising website](#).
