**Child Care Subsidy
For Lane Students**

The Associated Students of Lane Community College (ASLCC) provide funding to Lane Child and Family Center for child care assistance to students. The child care subsidy pays a percentage of child care expenses for student parents whom children attend Lane Child and Family Center. The goal of the subsidy is to ease the financial pressure of child care expenses while also paying college tuition. Funds are limited per term based on department allocations. Subsidy will be applied for all eligible students until funds are exhausted. ***Receiving other child care funding resources may disqualify you from being able to obtain this subsidy.***

To apply for the subsidy you must meet the following eligibility:

- **Be enrolled as a student at Lane Community College taking a minimum of 6 credit hours.**
- If you withdraw from classes subsidy must be repaid.
- Children must be enrolled at the Lane Child and Family Center for at least 15 hours per week.
- Parents must be paying at least 60% of child care expenses “out of pocket”.

Applications are available in the Lane Child and Family Center office, Building # 24.

Completed applications must be returned to the Lane Child and Family Center office for eligibility to be determined. If students receive child care benefits from another source (DHS, Voc Rehab, etc.) these benefits are applied first. Subsidy is then applied to the remaining balance. Subsidy eligibility will be determined each term and applied directly to the parent account each term through the college system.

Please contact Tatiana Bakhtina at the Lane Child and Family Center if you have any questions regarding child care subsidy @ 541-463-3522.
