**Program Coordinator** Judy Boozer, Bldg. 19, Rm. 253C, 541.463.5765, boozerj@lanecc.edu

**Purpose** To train students to manage professionally the administrative functions related to a well-run business/organization. This includes managing/coordinate projects, using personal computers for internet research, word processing, and financial analysis, handling correspondence, maintaining electronic and manual files, assisting with financial record keeping, operating a variety of equipment, assisting and greeting customers/clients, answering telephones, utilizing social media appropriately for the needs of the business/organization, assuming some executive decision-making responsibilities, and collaborating digitally. Upon successful completion of the first year courses, students will be eligible for the Business Assistant One-Year Certificate of completion.

**Learning Outcomes** The student who successfully completes all Administrative Professional requirements will:
- organize and manage the daily business functions of an organization.
- perform on the job in ways that reflect professional ethics, legal standards, and organizational expectations.
- create professional, accurate documents.
- anticipate and actively explore innovative solutions to technological and organizational challenges.
- provide basic training and technical support for office equipment and software systems.
- use research and analytical skills to support the activities of the organization.
- work independently within diverse business environments, apply individual strengths and critical thinking to collaborative efforts.
- make effective presentations to internal and external audiences.
- use appropriate library and information resources to research business topics.
- apply critical thinking and analytical skills in decision-making and problem solving.
- perform administrative, management, financial, and Web support functions using technology.
- apply and integrate advanced computer software applications to complete complex projects and documents.
- have enhanced employment opportunities based on selection of directed electives, such as accounting, legal, and medical.
- use communication, teamwork, and interpersonal skills for internal and external customer support.
- understand accounting as the ‘language of business’.
- formulate questions that can be addressed with data and collect, organize, and display relevant data to answer them.
- use good keyboarding skills to prepare documents quickly and accurately according to employer standards.
- use software including word processing, spreadsheet, database, and presentation tools to input, manage, and interpret information to meet organizational needs.
- engage customers and co-workers in a purposeful manner listening to and accurately interpreting their responses within diverse cultural contexts.
- perform in management level positions after additional experience is acquired.

**Cooperative Education (Co-op)** Students earn credit while gaining relevant work experience related to their educational and career goals. Through Co-op, students connect theory and practice, develop skills, expand career knowledge, and make contacts for future employment. Contact Jamie Kelsch, Co-op Coordinator, Bldg. 19, Rm. 253A, 541.463.5540, kelschj@lanecc.edu

**Job Openings Projected through 2020**
- Lane County openings - 42 annually
- Statewide openings - 485 annually
- Lane County average hourly - $17.45; average annual - $36,296
- Oregon average hourly - $18.18; average annual - $37,814

**Costs** Estimate based on 2017-18 tuition and fees. Consult Lane’s website for updated tuition.
- Books ................................................................. $2,966
- Computers/Internet Service ................................ $1,500
- Resident/Tuition and General Student Fees .............. $13,238
- Total Estimated Cost $17,704

*Course fees may change during the year. See the online credit class schedule for fees assigned to courses.

- LA 128 Legal Procedures 2
- (Tuition Elsewhere)
- LA 132 Ethics for the Legal Professional
- (Tuition Elsewhere)
- HO 100 Medical Terminology 1
- HO 110 Health Office Procedures
- BA 223 Marketing
- BT 181 Customer Service
- CIS 101 Computer Fundamentals
- BT 150 Business Web Pages with WordPress
- BA 250 Small Business Management
- BA 280AA Co-op Ed: Administrative Office
- BA 280CS Co-op Ed: Customer Service
- BA 281 Personal Finance
- CIS 125D Software Tools 1: Databases

### Administrative Professional: Legal Office Skills

**Offered by the Business Department, 541.463.5221**

**Career Pathway Certificate**

**Program Coordinator** Business Department, Bldg. 19, Rm. 137, 541.463.5221

**Purpose** This Career Pathway Certificate of Completion is designed for those with office experience who wish to expand their options for employment in law-related business and government offices. It also prepares students for transfer into the second year of Umpqua Community College’s AAS Degree in Paralegal Studies, which is offered completely online. Legal careers require criminal and personal background checks. The partnership between Lane and Umpqua allows students to work toward their Legal Office Certificate while at Lane, and if they choose to continue their education, they can transfer that certificate to Umpqua to begin second year classes of the AAS in Paralegal Studies. Federal regulations prohibit students from majoring in a degree not awarded from the institution they are attending. Please see your academic advisor to discuss major options while you are attending Lane. Federal regulations also prohibit receiving financial aid for the same term at more than one institution. Students who plan to transfer to Umpqua to pursue an AAS in Paralegal Studies will need to stop receiving financial aid from Lane and apply for financial aid from Umpqua when they transfer.
Learning Outcomes: Students earning the Legal Office Skills Certificate of Completion will be able to:

- use and understand basic legal terminology and concepts.
- demonstrate an understanding of the role of lawyers in the legal system.
- demonstrate an understanding of the roles and duties of all levels of legal support personnel in the legal environment.
- prepare accurately formatted legal documents, letters, and pleadings and compose correspondence commonly used in legal settings.
- draft basic pretrial documents.
- demonstrate an understanding of pretrial and trial procedures.
- develop questions for gathering information and facts in preparation for trial.
- evaluate and practice rules of ethics as they would apply to civil litigation.
- demonstrate an understanding of ethics as they relate to confidentiality, competence, fees, billing, conflicts of interest, and UPL.
- demonstrate an understanding of the purposes and functions of court rules, schedules, and procedures.
- demonstrate a basic knowledge of requirements for recording and filing documents with the proper court offices.
- demonstrate an understanding of and use a variety of legal office systems including document management and calendaring.
- demonstrate an understanding of and practice basic functions of legal billings and timekeeping, client relations, and litigation support.
- use law library, computing and communication services to obtain legal forms, information, and data from regional, national, and international networks.
- work independently within diverse business environments; apply individual strengths and critical thinking to collaborative efforts.
- use research and analytical skills to support the activities of the organization.

Course Requirements:

- Prerequisites are required for some courses. See course descriptions.
- All courses must be taken for a letter grade, and must be completed with a grade of ‘C’ or better or repeated to meet program requirements.
- Students are expected to have the ability to accurately type 40 words per minute before taking LA 100. The Business Department at Lane offers free placement tests to assist students in determining skill levels. Students who are unable to meet the minimum
- The LA course sequence is offered through Umpqua Community College Fall, Winter Spring and Winter, Spring, Summer.

Choice of:

- WR 121 Academic Composition
- LA 100 Legal Procedures
- LA 105 Civil Litigation
- LA 132 Ethics for the Legal Professional

Choice of:

- COMM 105 Listening and Critical Thinking
- COMM 218 Interpersonal Communication
- COMM 219 Small Group Discussion
- BA 214 Business Communications
- LA 105 Civil Litigation
- LA 132 Ethics for the Legal Professional

Administrative Professional: Office Software Specialist

Offered by the Business Department, 541.463.5221

Career Pathway Certificate

Program Coordinator | Judy Boozer, Bldg. 19, Rm. 253C, 541.463.5765, boozerj@lanecc.edu

Purpose: This Career Pathway Certificate of Completion is designed for administrative professional personnel who are interested in career enhancement or for current Business students with administrative experience who wish to expand their software proficiency. In today's competitive job market, Software Specialist certification can bring employment opportunities, greater earning potential and career advancement, and increased job satisfaction.

Learning Outcomes: The graduate of the Office Software Specialist Certificate of Completion will be able to:

- create, format, save, edit, and print documents.
- create, run, and save macros.
- use cell, row and column, and worksheet formatting techniques to create professional-looking spreadsheets.
- use Excel functions to perform sensitivity analysis to solve business problems.
- navigate the Windows operating environment.
- plan and develop a worksheet to solve complex business problems by using named cells and ranges, complex logical and nested logical functions, and relative, absolute, and mixed cell references in creating formulas and functions.
- work with arrays, iteration, multi-sheet data, form controls, look up functions, date and time functions, and math and statistical functions in a business problem-solving context.
- create presentations from a template, from existing slides, or by using the AutoContentWizard and apply appropriate design principles to design, create, and present an original slide show using PowerPoint software.
- customize color schemes, apply slide transitions and animation effects, create a custom background, add animated clip art, link slides within the presentation, resize and scale objects, add action buttons, hide slides, and set automatic slide timings.
- enter, edit, move, and delete information in established databases with accuracy.
- sort, index, and search databases, create custom forms and reports, link tables, and import/export information.
- create and apply character and paragraph styles, generate and update document indexes, tables of contents, and captions; demonstrate mastery in working with document sections, templates, and mail merge.

Choice of:

- WR 121 Academic Composition
- LA 100 Legal Procedures
- LA 105 Civil Litigation
- LA 132 Ethics for the Legal Professional

Choice of:

- COMM 105 Listening and Critical Thinking

Administrative Professional: Small Business Ownership
Offered by the Business Department 541.463.5221
Career Pathway Certificate
Program Coordinator Judy Boozer, Bldg. 19, Rm. 253C, 541.463.5765, boozerj@lanecc.edu

Purpose
This Career Pathway Certificate is designed for individuals who may want to own and operate a business in the near term or future. This includes, but is not limited to, trade and professional students, community members and former graduates with skills that are marketable in the business environment; individuals with skill sets that are commonly delivered in a freelancer or independent contractor capacity; and service providers, small retailers and food service providers that may potentially organize as a business.

Learning Outcomes
The graduate of the Small Business Ownership Certificate of Completion will be able to:
• understand his or her motivations and the reality of owning a small business, and understand the legal implications of being a business owner.
• determine the appropriate type of business entity for various business endeavors, and understand, outline and evaluate the components of a business plan.
• use cell, row and column, and worksheet formatting techniques to create professional-looking spreadsheets for analyzing business decisions.
• use sophisticated Excel functions to perform sensitivity analysis to solve business problems.
• understand the role of accounting in planning, operating, and reporting an organization's activities and management's fiduciary responsibility to safeguard assets and be able to discuss the adequacy of internal controls.
• recognize how the major elements of the marketing process apply to small business marketing situations.
• design and utilize QuickBooks as a tool to efficiently meet an organization's accounting and tax compliance responsibilities.
• understand the link between accounting data and the underlying business reality, and use the accounting equation for analyzing business transactions and creating financial statements.
• understand the historical role and evolving trends in small business including: transitions to paperless environments, globalization, role of e-commerce, and sustainability.

*Course fees may change during the year. See the online credit class schedule for fees assigned to courses.
