

Program Coordinator Associate Dean for Health Professions, Bldg 30, Rm. 110. 541.463.5754

Purpose To prepare the graduate to practice as an associate degree registered nurse, to be eligible to take the National Council Licensure Examination (NCLEX)-RN. Acceptance to the program allows for co-admission to Lane Community College and Oregon Health Sciences University nursing programs.

Learning Outcomes Nursing care competencies recognize that a competent nurse provides safe care across the lifespan directed toward the goals of helping clients (individuals, families or communities) promote health, recover from acute illness and/or manage a chronic illness and support a peaceful and comfortable death. As a member of the Oregon Consortium for Nursing Education the Lane Nursing curriculum supports the following nursing competencies.

- bases personal and professional actions on a set of shared core nursing values.
- develops insight through reflection, self-analysis and self-care.
- engages in intentional learning.
- demonstrates leadership in nursing and healthcare.
- collaborates as part of a health care team.
- utilizes and contributes to the broader health care system.
- practices relationship-centered care.
- communicates effectively.
- makes sound clinical judgments.
- uses the best available evidence.

Accreditation Nursing, Oregon State Board of Nursing (OSBN) 27938 SW Upper Boones Ferry Rd, Portland, OR, 971.673.0685, oregon.gov/OSBN. Lane is a member of the Oregon Consortium for Nursing Education (OCNE) and offers a competency-based curriculum jointly developed by nursing faculties from nine community colleges and OHSU consortium partners.

Licensing & Certification Successful graduates will be awarded an Associate Degree in Nursing and be eligible to take the National Council Licensure Examination-RN (NCLEX_RN) which confers licensure as a registered nurse.

Admission Information Program website:

- lanecc.edu/hp/nursing
- lanecc.edu/hp/nursing/registered-nursing-application-information
- lanecc.edu/hp/nursing/pn-rn-bridge-application-information

Information on criminal background checks and disqualifying crimes can be found at the Oregon Board of Nursing at: oregon.gov/OSBN/pages/criminal_history.aspx

Advising and Counseling For assistance with meeting application or program requirements contact Health Professions Advising in Building 30 at the Information Desk or in Building 1, Room 103 or E-mail NursingProgram@lanecc.edu with your specific questions.

Cooperative Education (Co-op) Co-op internships may be taken as an optional elective any of the last four terms of the program. Contact Associate Dean of Health Profession, (Cooperative Education Coordinator for Nursing), Bldg. 30, Rm. 110, 541.463.5754.

Gainful Employment Disclosure

29-2061.00

Standard Occupational Classification: 29-2061.00 Go to the Department of Labor's O*Net website for a profile of this occupation: Licensed Practical and Licensed Vocational Nurses onetonline.org/link/summary/29-2061.00 Or check on these O*Net Related Occupations: Psychiatric Aides onetonline.org/link/summary/31-1013.00

In academic year 2014-15, 13 students completed this certificate.

The program is designed to take 4 terms, or about 15 months of study to complete.

Lane Community College is committed to protecting student privacy and does not publish this rate for fewer than 10 graduates. Note: The federally required method for calculating the on time program completion rate assumes students will declare their completion program major immediately upon entering Lane, enroll full-time each term, and remain enrolled at Lane continuously until they complete their program. In reality, many students attend part-time, explore several majors, stop out for a term or more, and brush-up on their academic skills to be better prepared for college-level courses, all of which affect this narrowly defined on time completion rate.

For privacy reasons under FERPA, loan information is not disclosed for programs with fewer than 10 Title IV on-time graduates.

Explanation of costs: lanecc.edu/esfs/credit-fees-and-expenses

Course Requirements

- Prerequisites are required for some courses. See course descriptions.
- The most recent BI 233 course must have been completed within 7 years prior to starting the PN Program.
