

## It's Your Campus

### *Instructions:*

Please help to shape a long-range vision for a campus that is accessible, sustainable, and user-friendly, as part of a year-long campus master planning initiative. Lane's student government, in cooperation with the Facilities Council and the Bond Leadership Team, would like to know what you think about the physical places you use on campus. What works? What doesn't work? What physical obstacles do you face? When we repair or remodel spaces, what kinds of things would make it easier for you to accomplish your goals?

For each question, please feel free to say as much or as little as you like. List as many examples as you like. You may answer all of the questions, or only some of them.

Your responses will be confidential. You will not be identified, and your answers will be combined anonymously with all responses to these questions.

1. Name one or more of your favorite places on campus and explain why you like it.

Your favorite places may be indoors or outdoors, large or small.

Think about all kinds of campus places. Examples might include a particular landscaped space, wild space, lawn, field, bench, under a tree, classroom, lab, office, lounge, meeting room, cafeteria, library, bookstore, theater, hallway, balcony, doorway, or secret corner.

Please be as specific as you can about your reasons.

Please feel free to share more than one example.

2. Name one or more of your least favorite places on campus and explain why you don't like it.

Your least-favorite places may be indoors or outdoors, large or small.

Please feel free to share more than one example.

3. Think about the places where you go to class, to study, to work, or to relax, then complete this sentence: "I wish my campus . . ."
4. What could make the campus more user-friendly?
5. If you have other comments about particular places or the campus as a whole, please share them here.

Thank you for contributing to this campus conversation. If you have questions or concerns about this survey or to contribute more ideas, please contact Jonathan Morton or Margaret Robertson at [yourcampus@lanecc.edu](mailto:yourcampus@lanecc.edu).
