Photographing the Campus

What:

Photos:

Please photograph about ten places on the LCC main campus (30th Avenue) that you think work well, represent the kind of place you think Lane should be, provide a good learning environment, are memorable, or that you simply like.

Please also photograph about ten places on the main campus that you think *don't* work well.

These can be any kinds of places or functions. (Note that we are looking at what about the campus we want to preserve, or not, as a prelude to subsequent visions of what we want the campus to become. So we're not addressing things like maintenance issues, litter, and so forth.)

Comments:

Please write notes about why you took each picture. You may have multiple reasons, or you may not know exactly why you like or don't like something—that's okay, too. Please write as much as you can about each.

When:

Please send digital photo files or disposable camera and written comments to Jennifer Steele in the office of the Vice President for Operations by noon on Tuesday, Nov. 29. Please try to submit your photos and comments earlier if possible.
