Eligible Dependents are the Covered Person’s lawful spouse, domestic partner, or unmarried child from the moment of birth to age 19 who are chiefly dependent on the Insured for support. For a Covered Person’s child who reaches the age limit and is incapable of self-sustaining employment because of a mental or physical handicap, insurance may be continued provided we receive notice and adequate proof within 31 days of the date of death of the Covered Person.

Eligible Dependents may be insured, if the Student is insured. No person may be eligible for insurance as both an Insured Student and a Dependent at the same time.

Adopted children will be covered on the same basis as a newborn child from the date the child is placed for adoption with the student. Coverage will cease on the date the child is removed from placement. Coverage will include the necessary care and treatment of medical conditions existing prior to the date of placement.

Coordination of Benefits (Not applicable to Accident-Only Plan)

This provision applies only to the Medical Expense Benefit.

Extension of Benefits

Benefits will be extended under the Policy up to 3 months if, on the date insurance would otherwise end, and the Covered Person has incurred covered expenses and is under a doctor’s care for an injury or sickness covered by the Policy. Benefits will be extended for up to 6 months if the covered person is totally disabled due to a covered injury or sickness. This provision will apply only if the required premium is paid. Any benefits payable under this provision will not exceed the benefit maximums shown in the Schedule of Benefits.

IMPORTANT NOTICE

Insurance policies providing certain health insurance coverage issued or renewed on or after September 23, 2010 are required to comply with all applicable requirements of the Patient Protection and Affordable Care Act (“PPACA”). However, there are a number of insurance coverages that are specifically exempt from the requirements of PPACA (See Section 2791 of the Public Health Services Act). ACE maintains its student health insurance is not subject to PPACA. ACE continues to monitor healthcare reform laws and regulations to determine any impact on its products. In the event these laws and regulations change, your plan and rates will be modified accordingly. Please understand that this is not intended as legal advice. For legal advice on PPACA, please consult with your own legal counsel or tax advisor directly.
