Course Title:

This alternative faculty certification is being submitted because the faculty member's background does not meet the minimum qualifications listed in the College Online Policy and Procedure system, Minimum Course Qualifications Procedure, for the following type of course:

- Lower Division
- Career/Technical Education
- Developmental Education

The reason I judge the faculty member to be well qualified are as follows:

(Attached detailed explanation if needed including certifications, resume, transcripts, etc.)

This College Now faculty member is a participant in the Lane Regional Promise PLC Grant in conjunction with Lane ESD and has completed a two-day equity training with NAPE and a 5-day seminar on teaching the LCC course in alignment with LCC outcomes, and compliant with the standards set forth by the College Now program. All of this will be supervised by LCC faculty. The Sponsored Dual Credit faculty member will engage in 15 additional hours of training in the PLC group throughout the year. The faculty member is a certified high school teacher in Oregon.
