Shared Vision & Principles

Data Review and Analysis

Fall Term 2017

Shared Vision & Principles

Outreach and engagement with college council, other councils and constituencies to:

- ensure shared understanding of the learning plan's central role in Lane's planning framework
- develop and refine learning plan principles

Data Review and Analysis

Publication, review and analysis of data around teaching and learning to include:

- Core Theme indicators
- Strategic Directions
- Program and department data elements
- Achieving the Dream
- Strategic Enrollment Management
- Strategic Directions
- Academic Program Review
- Assessment reports

Build Upon Existing Work

Strategic Issues and Opportunities

Winter Term 2018

Build Upon Existing Work

Here's what we know Here's what's currently happening

Review existing strategic and institutional plans to:

- clearly articulate alignment with learning plan principles
- identify gaps, disconnects, and additional research needs

Strategic Issues and Opportunities

Broad, iterative dialogue, and discussion with students, faculty, staff, and managers to:

- understand strategic issues and opportunities around excellence in teaching and learning at Lane
- reaffirm, refine and develop strategic priorities

Strategy Development
