Workforce Innovation and Opportunity Act (WIOA) Scholarships

WHAT
Money for school: reimbursement up to $4,500.00, with possible support funds. Career Advisor to help you find work in your training field.

WHO
Lane County, Oregon residents in approved trainings who will finish within one year of scholarship award and who plan to go directly to work in their field upon program completion.

WHY
To invest public U.S. Department of Labor funds in individuals whose training will soon result in high-demand, living-wage occupations needed in the local labor market, enhancing the productivity and competitiveness of the nation as a whole.

WHEN
You may request a WIOA scholarship application at any time starting October 5, 2020 – but don’t wait to become fully registered with WorkSource Lane! Only fully registered customers will be emailed scholarship applications. See steps 1 and 2 below.
Final day to request an application is November 9, 2020.

Helpful Tips – What can I do in the meantime?

☐ _I don’t know yet where I’m going to school / what kind of training I want:_ It’s premature to apply to ANY scholarship, including the WIOA scholarship. Attend Career Exploration workshop.

☐ Ask school / training program:
  - Does this school accept federal financial aid?
  - How do others pay for this training?

☐ If school accepts federal financial aid, submit FAFSA without delay at fafsa.ed.gov.

☐ Be FULLY and completely registered in imatchskills.org. Be sure iMatchSkills® reflects me well – no typos; work history is up to date; email address is professional; telephone number is current.

☐ Take the NCRC when it becomes available, social distancing guidelines permitting.

☐ _I definitely know what I want to learn / train for:_ investigate other potential scholarships and funding opportunities offered through your school, private foundations, and related industry grants.

☐ Research the labor market via [www.qualityinfo.org](http://www.qualityinfo.org) and / or [www.onetonline.org](http://www.onetonline.org)

☐ Look at Oregon’s “Eligible Training Provider List” at [http://wioa.weebly.com/eligible-training-providers.html](http://wioa.weebly.com/eligible-training-providers.html). Training school must be on this list to be eligible for WIOA scholarship $$.
  - QUESTION: if my school is not on this list, can my school petition to be on this list? Yes. Your school’s Admissions Counselor may visit the same site to find out how: [http://wioa.weebly.com/eligible-training-providers.html](http://wioa.weebly.com/eligible-training-providers.html).

☐ _Think about your training plan._ Do self-reflection. _Write down_ how you would “sell” your plan to someone else. What makes you a good investment for this particular training at this point in your life? What in your background points to this?

  *** _For the WIOA scholarship, especially think about how you would persuade someone that your (proposed / current) training will enhance your EARNINGS and JOB PROSPECTS._ ***

☐ Line up job shadows – virtual perhaps! – for the occupation you’d like to get into / conduct informational interviews with people doing that type of work already.
