

Quality Care Connections

FALL 2020 TRAINING BULLETIN

QUALITY CARE CONNECTIONS WEBINARS

In response to the challenges presented by the pandemic, Quality Care Connections is continuing to provide a variety of options for you to obtain training hours this term. Recognizing many people are facing financial hardship at this time, we are offering these trainings at a reduced rate. Please register for the trainings below at <https://reg125.imperisoft.com/QualityCareConnections/Search/Registration.aspx> If you need help with registration, contact us at qualitycareconnections@lanecc.edu or leave a message at 541-463-3300 and we will call you back as soon as possible.

Title and Instructor	Date/Time	Hours	CKC	Set	Description	Cost
Enhance your Professionalism as a Business Owner <i>Danielle Cunningham</i>	Tuesday, October 13, 6:00-8:30 p.m.	2.5 hours	PM	Set One	Participants will gain knowledge in basic business practices and explore topics that will enhance their professionalism as business owner. We will discuss in detail how to develop a company mission statement, billing invoices, budgeting, record keeping, and lay the groundwork for developing a parent handbook. <i>No age-related content.</i>	\$10
Translating Tantrums <i>Josh Lutje</i>	Thursday, October 16, 6:30-8:30 p.m.	2 hours	UGB	Set One	What can we learn from observing children? We will examine the whats, whys, and hows of observations, as well as the types and purposes of them. We will then practice observation techniques and tools. Providers will leave the training excited to apply what they've learned about conducting observations. <i>Preschool, school-age.</i>	\$10
Nurturing Creativity <i>Aoife Magee</i>	Saturday, October 24 9 a.m.- 12 p.m.	3 hours	LEC	Set Two	Participants in this training will examine the creative process and how children benefit from support in cultivating creative thinking. Strategies that encourage adults and children to play with ideas, materials, humor, and imagination to expand the possibilities for creativity will be explored. <i>Infant/toddler, preschool, school-age.</i>	\$20
Confidentiality – Ethics in Action <i>Sonia Thomas</i>	Saturday, November 14 9 a.m.- 12 p.m.	1.5 hours 1.5 hours	PM PPLD	Set Two	Confidentiality protects children, parents, colleagues and the community from harm. In this workshop, we will explore the legal and ethical responsibilities professionals in child care and education bear. We will develop policies regarding confidentiality you can use in your program. Appropriate for owners, directors or staff. <i>No age-related content.</i>	\$20

Title and Instructor	Date/Time	Hours	CKC	Set	Description	Cost
Building Resilience in Challenging Times through Trauma-Informed Practices <i>Barb Arena Crandall, Rachel Garvin, and Florian Deurloo</i>	Wednesday, November 18 6-8 p.m.	2 hours	HSN	Set One	Presented by the Early Childhood CARES Trauma-Informed Training Group. Childhood trauma affects more than 60% of children in Oregon. The COVID-19 pandemic has increased the level of stress and trauma that families are facing. What is trauma, how does it affect the brain, and how can we build resilience in children through trauma-informed teaching practices? This training will include strategies that apply to both in-person and virtual learning environments. <i>All Ages</i>	Free
Applying Principles of Respect <i>Aoife Magee</i>	Thursday, November 19 6-9 p.m.	3 hours	PM	Set Two	Respectful interactions with others is the cornerstone for successful relationships. In this workshop, participants will examine the elements of constructive dialog and communication skills. Participants will also explore the characteristics of teams who effectively collaborate and what it takes to show courageous leadership with others. <i>No age-related content.</i>	\$20
Nurturing Wonder <i>Aoife Magee</i>	Thursday, December 3 6-9 p.m.	3 hours	HGD	Set Two	Participants in this workshop will examine learning for the whole child through STREAM—science, technology, reading, engineering, art, and math. We will explore how to design engaging experiences to positively support development in all six areas in early education. We will also explore how to create strong learning communities, which include children, teachers, families, and friends. <i>Infant/toddler, preschool, school-age.</i>	\$20
Professional Development with the Oregon Registry <i>Danielle Cunningham</i>	Tuesday, December 8 6:30-8:30 p.m.	2 hours	PPLD	Set One	This class is an introductory training on Oregon Registry programs, how Oregon Registry Online (ORO) is designed for training and education tracking, and resources that are available to Oregon’s early learning workforce. Participants will understand how OCCD promotes professional development to achieve high quality child care. Participants will explore how to plan for professional development growth and will gain knowledge of resources available to Oregon’s Early Learning Professionals. <i>No age-related content.</i>	\$10
Discovering the 40 Developmental Assets Josh Lutje	Thursday, December 10 6:30-8:30 p.m.	2 hours	HGD	Set One	Enrich your childcare skills and find new ways to approach behaviors in an asset rich manner. This training will introduce you to the asset model as well as offer new information and methods. <i>Infant/toddler, preschool, school-age.</i>	\$10
Tough Talks: Effective Communication with Parents <i>Danielle Cunningham</i>	Monday, December 15 6:30-8:30 p.m.	2 hours	FCS	Set One	This entry-level session introduces effective communication with families. We will discuss and identify ways to build relationships, communicate in positive ways, and address tough conversations. <i>No age-related content.</i>	\$10

STATEWIDE CCR&R WEBINARS

These webinars were developed by our Child Care Resource and Referral partners around the state and are being made available to the Lane County child care community during the Covid-19 pandemic. Please note the following expectations for these courses:

- **You may only register for these webinars through the child care resource and referral agency in the county in which you live.**
- After registering, you will receive a confirmation email containing information about joining the Zoom webinar.
- There is a grace period of just fifteen minutes. Credit or partial credit will not be given if you log in late or leave early.
- Attendees are expected to participate in the training through the chat box, polls, verbally (if possible), and by filling out the course evaluation,
- Handouts will be sent to all participants after the training ends.

Please register for the trainings below at <https://reg125.imperisoft.com/QualityCareConnections/Search/Registration.aspx> If you need help with registration, contact us at qualitycareconnections@lanecc.edu or leave a message at 541-463-3300 and we will call you back as soon as possible.

Title and Instructor	Date/Time	Hours	CKC	Set	Description	Cost
Developing and Applying Intensive Sanitizing Practices <i>Dani Stamm-Thomas</i>	Wednesday, October 7 6-9 p.m.	3 hours	HSN	Set Two	This session explores sanitizing practices that adhere to new guidelines for COVID-19 and beyond. We will explore the science and reasoning behind these health recommendations and develop a plan to implement these practices to keep children healthy and safe. <i>No age-related content.</i>	\$20
Exploring the Foundations of Handwriting <i>Minaz Chauthani</i>	Tuesday, October 13 6-9 p.m.	3 hours	HGD	Set Two	Examination of fine motor development activities to promote healthy development of handwriting. Application of the principles of developmentally appropriate practice and explore how the development of bilateral integration is imperative to development of writing skills, along with other vital skills related to learning. Explore tools to enhance learning. Participants will leave with handouts to promote curriculum around skill building and completion of task. <i>Infant/toddler, preschool, school-age.</i>	\$20
Creating an Inclusive Classroom Environment that Celebrates All of Our Children <i>Cindy Ryan</i>	Monday, October 19 6-9 p.m.	1.5 hours 1.5 hours	LEC SN	Set Two	This interactive training will focus on creating a classroom environment that celebrates and embraces inclusion of all children. Strategies that include visual supports, activities, family engagement, and more will be shared. All children have strengths, challenges, and deserve to be part of the same classroom community. Participants will leave with a toolbox of activities and ideas for their classrooms. <i>Preschool.</i>	\$20

Title and Instructor	Date/Time	Hours	CKC	Set	Description	Cost
Evaluating Time Management in and out of the Classroom: Exploring a work life balance in child care <i>Courtney Bowen</i>	Tuesday, October 27 6-9 p.m.	3 hours	PPLD	Set Two	What does work-life balance look like when you are working in your home? In this training we will examine time management theories and strategies for maintaining an appropriate equilibrium between work and home. Providers will explore these theories and determine what will suit their program needs. <i>No age-related content.</i>	\$20
Designing and Evaluation of Effective Pre-Writing Strategies for Pre-Schoolers-Multi-Sensory Approach to Learning Letters for Kindergarten Readiness Skills <i>Minaz Chauthani</i>	Tuesday, November 3 6-9 p.m.	3 hours	LEC	Set Three	Participants will use multi-sensory tools to build pre-writing strategies for building letter recognition and advance to letter formation as a foundation to pencil paper formation. Participants will develop a foundational understanding of the process to map motor memory through various mediums (tactile, auditory, kinesthetic and movement). <i>Preschool.</i>	\$20
Effective Communication with Families Before, During and After Emergencies <i>Courtney Bowen</i>	Thursday, November 12 6-8 p.m.	2 hours	FCS	Set Two	We never expect the unexpected, and in the midst of this current pandemic, clear, timely and direct communication is essential. This online training will explore principles and strategies for effective communication before, during and after emergency situations, with an emphasis on the current COVID-19 public health emergency. <i>No age-related content.</i>	\$15
Fostering Anti-Racism in Children: Supporting children in understanding, identifying, and rejecting racism. <i>Lauren Josi</i>	Tuesday, November 17 6-9 p.m.	3 hours	DIV	Set Two	Race and Racism can be a heavy topic to tackle with children. This session examines practices to address these issues early and in developmentally appropriate ways and promote acceptance in the classroom. Participants will explore strategies to help children understand, identify and respond to racism in prosocial ways. <i>Preschool, school-age.</i>	\$20
Help! Caregiver in Distress <i>Kelly Lawson</i>	Tuesday, December 1 6-9 p.m.	3 hours	PPLD	Set Two	In this session we will examine factors that lead to burnout and warning signs of compassion fatigue. We will select practices to help the caregiver develop strong social and emotional health including mindfulness, self-care, and resilience. <i>No age-related content.</i>	\$20

Title and Instructor	Date/Time	Hours	CKC	Set	Description	Cost
Implementing your Philosophy Throughout your Child Care: Examining what your philosophy means to you and how to promote this within your practice <i>Courtney Bowen</i>	Thursday, December 3 6-9 p.m.	3 hours	PM	Set Two	There is no time like the present to gain an in-depth perspective about what your programs philosophy means to you while simultaneously analyzing if that is what is currently represented in your philosophy today. <i>No age-related content.</i>	\$20
Dollar Store Science and Engineering for the EC Classroom <i>Cindy Ryan</i>	Wednesday, December 9 6-9 p.m.	1.5 hours 1.5 hours	LEC SN	Set Two	Creating fun and developmentally appropriate science and engineering activities in early childhood shouldn't cost an arm and a leg. Join an interactive session where we will use items bought at the Dollar Store to create fun and appropriate activities for young children in your learning environment. Leave this session with a toolbox of activities, resources, and more. <i>Preschool, school-age.</i>	\$20
Observing, Screening and Assessing in your classroom in Culturally Sensitive Ways that Engage Parents <i>Jenna Sanders</i>	Monday, December 14 6-9 p.m.	3 hours	OA	Set Two	Examine tools to screen and assess children's progress. Explore ways to communicate those developmental goals and standards with parents in culturally sensitive ways that support their knowledge of child development. Develop skills to observe classrooms and children to identify unmet needs and opportunities for skill development. <i>Infant/Toddler, preschool.</i>	\$20
