

## Specialized Support Services **S3**

### *Transforming Lives Through Education and Training*

Specialized Support Services (S3) has provided Vocational Training to adults with Developmental Disabilities since 1973 for Lane Community College and the greater community.

Currently providing training to student workers in:

*Custodial Services*

*Waste Management/Recycling*

*Confidential Shredding*

*Campus Delivery Services*

*Housekeeping Services*

*Job Development/Job Coaching Services for Community Placement*

## **Our Mission**

Specialized Support Services is committed to a high quality learning experience that provides employment, community participation and socially integrated activities. We assist students who require intensive or unique supports in order to meet their education goals.

### **Individualized Services**

⇒ With the help of your team (when applicable), we tailor the type of training towards your needs with respect to possible future job placement through all four terms.

### **What Can We Do For You?**

- ⇒ Placement within Specialized Support Services provides the benefit of instruction and support in learning important job skills.
- ⇒ Job placement assistance with the help of our Job Development Team. When you choose to use our Job Development Team, we make placing you in a position that is community based and geared towards your strengths the top priority.
